PERFORMANCE FABRIC

Our luxe, performance fabric is UV and stain-resistant with soil release properties and is treated with C6 Fluorotelomoers to provide critical protection. Most messes can be removed with mild soap and water.

CUSHIONS

The cushions consist of a perfect blend of poly & down, giving that desirable sink-in feel. Foam has been thoughtfully added to the cushions so that the Halston holds up to life around you, ensuring that the sofa cushions maintain their shape.

FRAME
