GRAPES®

2912.01-SML

Sonneman

Precise or random, clustered or free, the Grapes® family explores a full spectrum of design possibilities. Suspended from slender stems, luminous LED spheres are capped in metal. A faceted crystal shade refracts the light with a dazzling radiance. Grapes is available as a single pendant or in configurations of up to 24 lights, with finish options including Polished Chrome, Satin Nickel, and Brass.
