

Installation Instructions

ITEM NO. :FX-3677-6

INSTALLATION

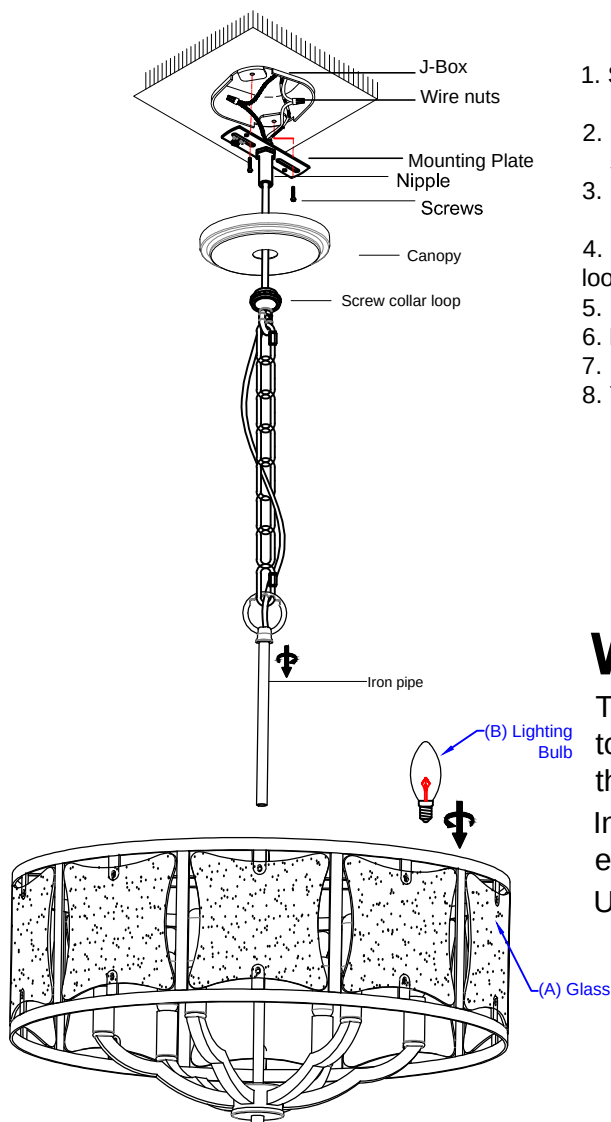

1. Shut off main power at circuit breaker before attempting to install luminaire.
2. Install mounting plate to junction box in ceiling using mounting screws.
3. Pull the existing electrical wires out of the junction box and make proper connections using wire nuts.
4. Position canopy over mounting plate and thread screw collar loop on the nipple to secure the canopy to the ceiling.
5. Install each glass (A) to the fixture and tighten with screws.
6. Rotate iron pipe to the fixture.
7. Install bulbs (B), (Not included).
8. Your light is ready to enjoy!

WARNING

To ensure the success of the installation, be sure to read these instructions and review the diagrams thoroughly before beginning.

Installation must be performed by a qualified electrician.

Use UL listed wire connectors for connections.

Use 60Wx6 Max type B bulb (bulb not included)
