

LOU

83300BK

MEDIUM SINGLE LIGHT SCONCE

Talk about minimalist style with major impact. Lou's sleek dome and tall, arching design has an industrial streak balanced with a dose of mid-century modern drama. A white inner shade allows for optimal light output, pairing nicely with the Black or Lacquered Brass finish options. Plus, you can enjoy dual mounting flexibility with the option to hardwire or mount as a plug-in sconce with an on/off switch. No matter your style, Lou fits the bill.
