Product Description

Lucas + McKearn introduces the Dalrymple glass table lamp, which lends casual elegance and creates beautiful illumination in any space. The table lamp combines softly hued Smokey Olive Green and Clear glass in a unique, sweeping pattern. A shimmery drum shade perfectly matches the color running through the glass base. Dalrymple uses Traditional French Wiring, connecting to the Polished Nickel stem and leaving the sculptural glass base untouched. This clean and simple design has a Mid-Century Modern flair with a touch of Historical glam.
