

ALBATROSS | 88366 | 88367

Engineered for coastal living, Albatross delivers large-scale airflow with marine-grade durability. Its expansive 72" blade span and six-blade design create a commanding presence while providing steady performance for covered outdoor spaces. Constructed from materials designed to withstand harsh environments, the fan is ideal for patios, verandas, and homes near the coast. Available in Matte Black or Matte White, with or without an integrated light kit, Albatross offers a clean, versatile solution where strength, scale, and outdoor reliability matter.
