Keefe

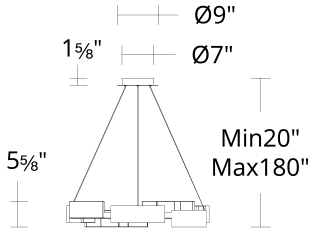

PD232632

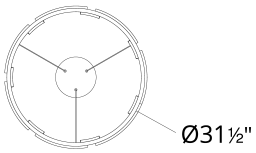

PRODUCT DESCRIPTION

Industrial Precision. Sculptural Presence. The Keefe Pendant redefines architectural lighting with a bold, circular silhouette that feels both industrial and elevated. Keefe diffuses a soft, even glow that enhances modern interiors with depth and warmth. Its graphic form and precision detailing make it more than a source of light — it's a sculptural centerpiece that commands attention. Ideal for dining areas, foyers, or great rooms, Keefe's geometric composition brings dynamic energy to any space. Its sophisticated design and compatibility with the WAC Home system, offering Tunable White and Dim-to-Warm lighting (1800K – 4000K), embody the Modern Forms philosophy — merging technology, artistry, and architectural rigor into a single, striking statement.

FEATURES

- Driver concealed within the canopy
- Silicon diffuser
- Up and downward illumination
- Thin, powered aircraft cables provide an ultraclean look for adjustable suspension height
- *Compatible with WAC Home system to create a personalized lighting experience. Components required for tunable white and dim-to-warm capabilities

PD-232632
