Mainline

WS230620

PRODUCT DESCRIPTION

Architectural Form. Elevated Function. The Mainline Wall Sconce brings refined geometry and layered light into perfect harmony. Its elongated silhouette, crafted from luminous opal glass, diffuses a warm, inviting glow both upward and downward, creating a sophisticated interplay of light and shadow. A curved decorative trim, adds sculptural detail, transforming this bath sconce from a functional fixture into a refined architectural element. Ideal for modern bathrooms, corridors, or living spaces, Mainline balances minimalist design with impactful illumination. Its clean lines, warm radiance, and thoughtful detailing embody the Modern Forms philosophy: lighting that transcends function to become an integral part of the architecture itself.

WS230620

FEATURES

- Driver concealed within the canopy
- Opal glass diffuser
- Decorative ribbed accent
- Oval shaped canopy
- Built in color temperature adjustability. Switch from 2700K/3000K/3500K/4000K
