Andean

BWS88536

Project:

Location:

Fixture Type:

Catalog Number:

DESCRIPTION

A bold line of natural wood, alive with raw grain and texture, creates a warm yet striking frame for the Andean crystal wall sconce. Inside, faceted Optic Crystal bars flash like cut gems, bouncing light in a hypnotic rhythm. Soft illumination pours up and down through the crystals, flooding the room with a moody, captivating glow. It's more than a fixture—it's an artful collision of nature and luxury, designed to turn heads.

FEATURES

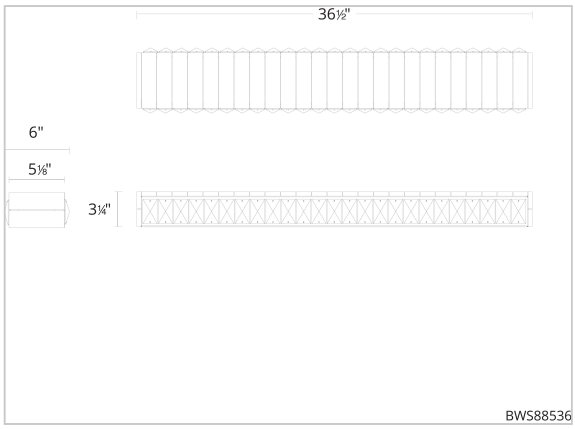

- Can be mounted on wall in all orientations
