CANTINA

2995.25C-MED

Sonneman

Like raindrops frozen in midair, the flat oval glass forms of the Cantina pendant family create a mesmerizing display of suspended glass. Lit by LED, each organic form dangles from low-profile Satin Black suspension cables, giving the fixtures a mobile-like appearance. Ranging from a single to multiple shades, Cantina creates atmospheric illumination by diffusing light through the white or black-tinted glass.
