TROY LIGHTING

Orphir draws inspiration from the dichotomy between the serene geography and the harsh, wind-swept climate of Orkney, Scotland. Completed with a Patina Brass or Bronze finish, three abstract shapes are set against a central stem, creating a profile that resembles an aerial view of the Orkney coastline. Each graphic element of this wall washer has been designed to shade the light and soften the dramatic forms. From the rounded edges to the textural finish, the details capture the artist's vision. Part of our Chandler McLellan collection.
